

SCHOOL LETTERHEAD

DATE

Dear Parent/Guardian:

This letter is to inform you that your son or daughter will participate in sample activities that will incorporate the use of hand-held devices such as cell phones and the use of social media web sites such as Facebook and YouTube.

The goal of the activities is to develop practical learning applications for commonly used devices and web sites as well as engaging wired learners. The results of the activities will help develop helpful lesson plans that other teachers may use in the future.

The activities will require your son or daughter to participate in some of the following activities:

- ✓ Give the teacher their cell phone numbers in order to receive a text message from a teacher.
- ✓ Create a Facebook account so that they can join a closed Facebook group which will allow the sharing of pictures and text.
- ✓ Create a YouTube account so that they can upload videos.

If you have any questions or concerns, please do not hesitate to contact at me

Thanks for your continued support,
