

Teaching Together is a joint endeavour of the Canadian Teachers' Federation (CTF/FCE) and its Member and Associate Organizations to support partners in developing countries as they co-plan and co-deliver professional learning to teachers. Since 1962, this program, part of the CTF/FCE's International Cooperation Program, has assisted teacher organizations in over 50 countries. It involves over 50 Canadian teacher volunteers each year. Financial support is provided by the CTF/FCE and its Member Organizations. Currently programs are offered in Africa and the Caribbean in July each year.

The **Canadian Teachers' Federation** is a national, bilingual federation of teacher organizations leading a vision for quality public education.
